Weekly Reports

Menu Option		Report Name	Results	Settings	Hints
Insurance Tracking	☑	Claims Not Submitted	Based on Info from Patients Insurance History Window. Shows claims that might have been missed and need to be submitted.		
	☑	Charges Not Submitted	Based on Info from Ledger Billing Status Column. Shows claims that might have been missed and need to be submitted.		

Remember: There are many reports, these are the ones we recommend you print, evaluate and keep in a notebook.
